**Curriculum Vitae
of Education and Professional Experience**

Curriculum Scolastico

Nato a Montecchio Emilia (RE) il 01/02/1955, conseguiva il Diploma di Maturità Classica presso il Liceo L. Ariosto di Reggio Emilia nell'anno scolastico 1972/73.

Laureato nel novembre 1982 in Medicina e Chirurgia presso l'Università degli Studi di Parma con tesi di ricerca in Clinica Ortopedica "La terapia Chirurgica Conservativa della coxartrosi"; iscritto regolarmente all'Ordine dei Medici della provincia di Reggio Emilia dal 23/12/1982.

Specializzato in Ortopedia e Traumatologia nel giugno 1990 presso la 1^a Clinica Ortopedica dell' Università di Milano.

Education

Born in Montecchio Emilia (RE) on February 1, 1955; obtained the Diploma di Maturità Classica (High School Diploma) from L. Ariosto High School of Reggio Emilia in 1973.

Earned his medical degree in November 1982 at the University of Parma, with a research thesis in Clinical Orthopedics: "Conservative Surgical Treatment of Coxarthrosis"; registered in the Order of Medical Doctors of the province of Reggio Emilia as of the 23rd of December, 1982.

Earned his specialization in Orthopedics and Traumatology in June 1990 at the 1st Orthopedics Clinic of the University of Milan.

ATTIVITA' OSPEDALIERA

- Dal 1982 al 1985 ha frequentato quale volontario la divisione di Ortopedia e Traumatologia dell'Ospedale di Montecchio Emilia.
- Assistente Incaricato presso l'Ospedale di Montecchio Emilia dal 13/11/1985 al 30/04/1986.
- Dal 07/11/86 al 31/03/88 volontario presso la Divisione di Ortopedia e Traumatologia dell'Ospedale di Scandiano (RE).
- Dal 01/04/88 al 31/03/93 Assistente Medico di Ortopedia e Traumatologia.
- Dal 01/04/93 al 30/06/94 Aiuto Corresponsabile Ospedaliero di Ortopedia e Traumatologia.
- Dal 01/07/94 al 05/12/96 Dirigente Medico di 1° liv. Fascia "A" di Ortopedia e Traumatologia.
- Dal 06/12/96 al 14/05/97 Dirigente Medico di 1° liv. Di Ortopedia e Traumatologia.
- Dal 15/05/97 al 30/07/2002 Responsabile del Reparto di Ortopedia c/o la Casa di cura Villa Verde di Reggio Emilia, struttura accreditata presso il Servizio Sanitario Nazionale.
- Dal 01/09/2002 a tutt'oggi presta la propria attivita' presso la Casa di Cura Salus Hospital di Reggio Emilia, struttura ad alta Specialità accreditata c/o il Servizio sanitario Nazionale, i qualità di Responsabile del Reparto di Ortopedia e Riabilitazione.

Medical Work Experience

- Worked as a volunteer in the department of Orthopedics and Traumatology of the Hospital of Montecchio Emilia from 1982 to 1985.
- Assistant in charge at the Hospital of Montecchio Emilia from November 13, 1985 to April 30, 1986.
- Trainee in the department of Orthopedics and Traumatology in the Hospital of Scandiano (RE) from November 7, 1986 to March 31, 1988.
- Medical Assistant in Orthopedics and Traumatology from April 1, 1988 to March 31, 1993.
- Vice Medical Director in Orthopedics and Traumatology from April 1, 1993 to June 30, 1994
- Medical Director of Level 1, Section A of Orthopedics and Traumatology from July 1, 1994 to December 5, 1996.
- Medical Director Level 1 of Orthopedics and Traumatology from December 6, 1996 to May 14, 1997.
- Director of the Orthopedics Department of the Casa di cura Villa Verde of Reggio Emilia, a healthcare provider accredited by the National Healthcare System from May 15, 1997 to July 30, 2002.
- Director of the Orthopedics and Rehabilitation Department of Salus Hospital of Reggio Emilia, a highly specialized healthcare provider accredited by the National Healthcare Service, from September 1, 2002 to the present.

Attività chirurgica Surgical Work Experience

Has participated in numerous conventions and study conferences, specializing particularly in arthroscopic and prosthetic surgery of the knee and hip.

As of December 31 2020, has performed 28.293 surgical procedures as primary surgeon, including:

Fino al 31 Dicembre 2020 ha eseguito come primo operatore 28.293 interventi chirurgici tra i quali:

Arthroscopic procedures on the knee (meniscal lesions, chondropathies, etc.) ARTROSCOPIE DI GINOCCHIO	n° 9453
Arthroscopic procedures on the ankle (chondropathies, floaters, etc.) ARTROSCOPIE DI TIBIO TARSICA	n° 201
Arthroscopic procedures on the shoulder (rotator cuff lesions, impingement syndrome, etc.) ARTROSCOPIE DI SPALLA	n° 333
Arthroscopic procedures on the elbow (adhesion lysis, floaters) ARTROSCOPIE DI GOMITO	n° 12
Arthroscopic procedures on the wrist (joint lysis) ARTROSCOPIE DI POLSO	n° 7
Arthroscopic reconstruction procedures on the ACL and PCL of the knee RICOSTRUZIONI ARTROSCOPICHE LEGAMENTO CROCIATO ANTERIORE (LCA) E LEGAMENTO CROCIATO POSTERIORE (LCP)	n° 3636
Arthroscopic reconstruction procedures on the ACL on previously performed reconstruction procedure REVISIONI ARTROSCOPICHE PER RIROTTURA LCA	n° 254
Percutaneous treatment of tendon injury or disease with use of PRP TRATTAMENTO PERCUTANEO DI LESIONI TENDINEE O MUSCOLARI CON FATTORI DI CRESCITA PIASTRINICI (PRP)	n° 1331
Autograft procedures of cartilage cells TRAPIANTI CARTILAGINEI	n° 164
Reconstructive surgery with Implants of osteo-chondral biomimetic substitute on the knee INNESTI SOSTITUTO OSTEOCONDRALE BIOMIMETICO AL GINOCCHIO	n° 31
Reconstructive surgery of the knee with use of mesenchymal or stem cells CHIRURGIA RICOSTRUTTIVA CON UTILIZZO DI CELLULE MESENCHIMALI O STAMINALI	n° 432
Valgus Tibial or varus femoral Osteotomy Procedures OSTEOTOMIE VALGIZZANTI TIBIALI O VARIZZANTI FEMORALI DI GINOCCHIO	n°458
Other arthrotomy procedures on the knee ALTRI INTERVENTI IN ARTROTOMIA AL GINOCCHIO	n° 251
Other procedures on the shoulder (rotator cuff reconstruction, stabilization of relapsing dislocation) ALTRE PROCEDURE CHRURGICHE ALLLA SPALLA	n° 137
Other tibia-tarsal procedures (stabilization) ALTRE PROCEDURE SI STABILIZZAZIONE DELLA TIBIO TARSICA	n° 102
Rachis procedures for lumbar disk hernias INTERVENTI PER ERNIA DISCALE LOMBARE	n° 23
Tumor removal procedures on major bone segments ASPORTAZIONE DI TUMORI DA SEGMENTI OSSI MAGGIORI	n° 44

Hip replacement procedures

PROTESI D'ANCA	n° 1617
Knee replacement procedures	
PROTESI DI GINOCCHIO	n° 6004
Shoulder replacement procedures	
PROTESI DI SPALLA	n° 17
Revision procedures on total hip replacements	
REVISIONI PROTESICHE DI ANCA	n° 167
Revision procedures on total knee replacements	
REVISIONI PROTESICHE DI GINOCCHIO	n° 891
Complete transplant procedures on the knee extensor mechanism	
RICOSTRUZIONE APPARATO ESTENSORE GINOCCHIO MEDIANTE TRAPIANTO COMPLETO DI APP. ESTENSORE DA CADAVERE	n° 92
Procedures on feet (hallux valgus correction, subtalar arthrodesis, etc.)	
INTERVENTI CHIRURGICI AL PIEDE	n° 201
Procedures on various nerves (lysis, transpositions, RAFFIE, etc.)	
INTERVENTI SU STRUTTURE NERVOSE	n° 638
Procedures on various tendons (lysis, transpositions, lengthening, RAFFIE, etc.)	
INTERVENTI SU STRUTTURE TENDINEE	n° 803
Major trauma procedures (large bone segments, etc.)	
INTERVENTI DI CHIRURGIA TRAUMATOLOGICA MAGGIORE	n° 227
Minor trauma procedures (small bone segments etc.)	
INTERVENTI DI CHIRURGIA TRAUMATOLOGICA MINORE	n° 231
Removal of intra-medullary nails, plates, etc.	
RIMOZIONE DI MEZZI DI SINTESI	n° 446

Scientific Work Experience

Member of the following scientific societies:

- Italian Society of Orthopedics and Traumatology
- Society of Orthopedics and Traumatology of Emilia-Romagna and the Triveneto Region
- Italian Society of Arthroscopics

Published works

1. On the use of intertrochanteric osteotomy in rheumatoid arthritis of the hip

Atti della S.E.R.T.O.T - Volume XXV – Issue 1, 1983

2. Retrospective study of 57 surgical meniscectomy cases

Atti della S.E.R.T.O.T - Volume XXVI – Issue 1, 1984

3. Medical and thermal treatment of coxarthrosis (etiological focus)

Incontri di studio a Tabiano – Vol. N. 3 – Year II – July 1984

4. On a poorly understood case of septic arthritis of the elbow

Atti della S.E.R.T.O.T - Volume XXVIII – Fascicolo 2, 1986

5. Intertrochanteric osteotomy in rheumatoid arthritis of the hip

Minerva Ortopedica e Traumatologica – Vol. 37 – N. 10 – Page 647-653 (October 1986)

6. Pathology of the foot in the elderly: surgical possibilities

Giornale di Gerontologia – N. 7 – July 1985 – Vol. XXXIII

7. Pathology of the knee in the elderly: surgical possibilities *Giornale di Gerontologia* – N. 7 – July 1985 – Vol. XXXIII
8. Variations in osteocalcin serum after orthopedic surgery procedures
Giornale di Clinica Medica – Vol. 66 – Issue 11-12 – 1985
9. Retrospective study of 78 cases of coxarthrosis with intertrochanteric osteotomy
Minerva Ortopedica e Traumatologica – Vol. 38 – N. 7-8 – Pg. 429-436 (July-August 1987)
10. On the use of vaccines in orthopedic-traumatological infections
Lo Spallanzani – New series – Year I – Issue 2 – July-August 1987
11. Electrical Stimulation of Human Femoral Intertrochanteric Osteotomies
Clinical Orthopaedics, December, 1988 – Vol. 237
12. Our clinical experience with the use of electrical stimulation of osteogenesis
Arch. Ortop. Reumatol. – Vol. 101 – suppl. 2, 1988
13. Pemp stimulation in subtraction tibial osteotomies: a double blind study
"Electrobiology today" – Bologna April 14th/16th, 1989
14. Effect of low-frequency pulsed electromagnetic fields on the healing of human knee osteotomies: a double blind study
C.T. Brighton and S. R. Pollack Eds., *Electromagnetics in Biology and Medicine*
15. The electrical stimulation of tibial osteotomies
Clinical Orthopaedics, March, 1993 – Vol. 288
16. The effects of CEMP on knee osteotomies: a double blind study
17. The knee and cartilage. From chondrite to osteoarthritis. A.B.G.F., March 2006
18. Minimally invasive TKA – *Atti S.E.R.T.O.T.*, June 2006
19. The valgus knee. Osteotomy and arthroplasty – *Atti del Congresso O.T.O.D.I.* 2006
20. The allergies to prosthetic materials – *Act. Int. Vol 2 June 2007 7/12*
20. The saphenous nerve neuroma: a rare complication of prosthetic surgery of the knee (*Atti Congr SIAP 2007*)
21. The early failure in total knee arthroplasty *J.of S.* vol 54-2008 1231/1234
22. Pain in the knee prosthesis *Act.Ort Bel* vol 1-2008 Sept 32-37
23. Long term results in knee arthroplasty: evaluation of our experience from 1997 to 2009 (*atti inc. italo-svizzero Ort/Traum* pag 183-188)
24. Revision of prosthetic hip: the management of complex patients (*Hip & Knee Surg.* n° 3/2010, pag 65-71)
25. Osteo-chondral biomimetic substitute implants on the knee: short term results (*acts inc. "Biomaterials"* Rome nov. 2010)

CONFERENCES

AS SPEAKER

Participated as speaker in approximately 95 national and international conferences between 1990 and 2015.

AS PARTICIPANT

Participated in more than 180 other national and international conventions and courses.

TEACHING

Has been teaching as First Tutor in many courses of surgical second level education

Reggio Emilia, 01-01 2020

IN WITNESS WHEREOF
